In competitions extending over more than one round, players will play off the handicap at the commencement of the competition, that handicap will apply for aggregate scores. The handicap rules will apply for individual rounds.

SUMMARY OF EVENT TYPES

Stroke: Players count the shots taken to hole the ball. Handicaps are deducted from the total score at the end of the game.

NOTE: All C Grade (Handicap 21 and above) players will play from the forward tee (blue/white) on the 5th hole during all individual stroke competitions.

2BBB Stroke: As for Stroke except that handicap shots are taken at the appropriate holes to determine the team score (the better of the two) for the hole.

Hijack: As for 2BBB Stroke except that the team score is the best stroke score for the first 6 holes, the worst stroke score for the second 6 holes, and the sum of the partners stroke scores for the last 6 holes.

Stableford: Points are awarded based on handicap on each hole - a par, after handicap, gaining two points. Each shot under handicap gains an additional point, each shot over handicap loses a point. The minimum score on a hole is zero points. The Index on the scorecard is used to determine how many handicap shots a player gets on a hole.

2BBB Stableford: As for Stableford, but as a team. The best Stableford score for each two player team counts as the team score on each hole.

2BWB Stableford: As for 2BBB Stableford, except the worst score of the two team members counts as the team score on each hole.

Aggregate Stableford: As for Stableford for each player, the team score being the total of the individual players scores on each hole.

Stableford Multiplier: As for Aggregate Stableford, except that the points of the two players are multiplied rather than added.

Ransom: As for Stableford, but with the team score being determined by the best score for the first 6 holes, the aggregate (sum total) score for the second six holes, and the multiplied scores of the players for the last six holes.

Irish Stableford: Team event for 4 players, each scoring as in individual Stableford. For the first 6 holes the team score is the best score in the group. For holes 7 to 12 the team score is the sum of the two best scores in the group. For the last 6 holes the team score is the sum of the best three scores in the group.

Par: As for Stableford, except a nett par scores a square or zero. Less than nett par scores a plus (+), over nett par scores a minus (-).

Par Bonus: As for Stableford, 1 point or less scores a minus(-), 2 points scores a square or zero, 3 points scores a plus (+), 4 points scores a double plus (++), 5 points scores a triple plus (+++).

2bbb Par Bonus: As for Par Bonus, with the better score of each partner being the team score for each hole.

Aggregate Par: As for Par Bonus, but with the sum of the two players scores being the team score for each hole.

Par Bisque: As for Par except that the player is able to allocate handicap strokes as desired over the course. This must be done at the completion of the each hole.

Foursomes: Players take turns hitting the one ball until it is holed. Players take alternate tee shots. Handicap is ½ of the Aggregate Handicap.

Canadian Foursomes: As for Foursomes except both players tee off - then select one of these balls and play alternately until it is holed. The player whose ball is not selected plays the second shot. Handicap is 3/8 of the Aggregate Handicap.

American Foursomes: As for Canadian Foursomes except that after playing their tee shot, each player then hits their partners ball before deciding which ball shall become the one to play out the hole. Handicap is 3/8 of the Aggregate Handicap.

Ambrose: In 2, 3 or 4 ball Ambrose each player in the team hits each shot. The team then decides which shot they wish to take and all players then hit from that location. The team handicap is deducted at the end of the round. Handicap is ¼ of the Aggregate Handicap for 2 players, 1/6 of the Aggregate Handicap for 3 players and 1/8 of the Aggregate Handicap for 4 players. 3 tee shots for a team of 4, 4 tee shots for a team of 3 and 6 tee shots for a team of 2.

Irish Ambrose: As for Ambrose with the difference that whoever's shot is taken does not get to hit the ball from that position.

JUNIOR FOUNDATION CUP

Stableford points are awarded for each of the nominated 4 rounds. The cup winner is the member with the highest number of points.

COCK OF THE WALK: Best 8 net scores in each grade in the first round of the club championships qualify to compete. (Peterson Cup)

The best 32 net scores in the nominated round qualify to compete. Players will have approximately three weeks to complete their match with their nominated opponent. Matches can be played in conjunction with the scheduled competition on a day, as long as the rules of the competition are observed. The allocation of shots is according to the match play index (not the normal hole rating), with the number of shots involved determined by the difference in

the handicaps of the two players. For example, a player off a handicap of 4 concedes 6 shots to a player on a handicap of 10. Each player's handicap is their handicap on the day their match is played.

CLUB CHAMPIONSHIPS: Played in five grades ~ A (handicap 12 or less), B (13 to 18) and C (19 and over), Veterans ~ (over 50), and Juniors as stroke rounds. Juniors and Veterans compete in their relevant grades in addition to the grade competition. The champion in each grade is determined on the basis of scratch score. Players maintain their original handicap throughout the championships ~ but must adjust net scores on their card if their handicap changes for the day competitions.

C Grade (19 and over) play off the forward tee (blue/white) on the 5th hole. If the player is in C Grade for round 1, they play from the forward tee for ALL rounds of the championship regardless of any handicap changes during the championship rounds. B Grade (13 to 18). If you start the championships in B grade, then you tee off from the white markers for ALL rounds of the championship.

NOTE:

For the final round of the club championships a set time of 9.30 am for the top 8 in a, b and c grades apply.

Players must play at their tee time allocated by the pro shop with a grade hitting off first playing in 2 groups per grade in the order of 5, 6, 7 & 8 followed by 1, 2, 3 & 4.

ARTHUR DOWNES MEMORIAL: Open mixed event

EASTER BOWL: Open Mixed Event

REMEMBRANCE SHIELD: Open Mixed Event

ARTHUR AND MABS DOWNES

CHRISTMAS HAMS DAY: This is a Members Only medley four ball Ambrose competition played prior to Christmas.

WALLACIA WIPEOUT: An 18-hole knockout competition for 19 players. Players qualify for the event during the 4 Saturdays of the Championships. Qualifiers are selected on the basis of net stroke scores recorded in those competition days after the fee of \$2 is paid. The event has all 19 players play as one group ~ the worst net score being eliminated at each hole. In the event of a tie on any hole a nearest-the-pin chip-off from a pre-determined location will be used to decide who is eliminated. The winner is the only player not eliminated after the full 18 holes.

ADDITIONAL NOTES

Match and Greens reserves the right to change the event(s) scheduled for any day as circumstances require. Such circumstances may prevent prior notification to members of any changes.

Members are graded on their current handicap as A (12 or less), B (13 to 18), or C (19 or higher) for all relevant competitions unless specifically stated otherwise in the Fixture Book. The Junior Club Championship and Junior Wallacia Cup include an additional Junior Grade which is contested in conjunction with player's handicap grade.

Members are invited to sponsor an event of their choosing. Sponsorship can be arranged to suit almost any budget and can be organised through General Manager or any member of the Match and Greens.

Where playing numbers permit, individual prizes may be awarded in grades for all 2B members competitions, as well as for Ladies in Mixed or Medley 2B competitions.
